Using Avenza Maps on the Fireline Workshop: November 7th, 2017

Join us as we host an Avenza workshop with the App developers. This is a free workshop on November 7th at Massanetta Springs Conference Center in Harrisonburg, VA. This workshop will run from 8:30am to 5:00pm with a box lunch provided. The developers of Avenza will lead an indoor session before lunch then we will head to a nearby burn unit to put our knowledge to work all afternoon. Registration deadline is October 27th.

 ACRES OF FOREST NEED
 RESTORATION

Have you heard of Oktoberforest? It's a month long series of events sponsored by The Nature Conservancy and local breweries around the country! It's a campaign to bring attention to the need for forest restoration. CAFMS has been lucky enough to be involved with the Oktoberforest events in the mountains of South Carolina! We urge you to check out their website to see if there is one near you! You can find more information at:
